100% AMI	\$57,820	\$66,080	\$74,340	\$82,600	\$89,208	\$95,816	\$102,424	\$109,032
120% AMI	\$69,384	\$79,296	\$89,208	\$99,120	\$107,050	\$114,979	\$122,909	\$130,838

These are income limits specifically for CDBG/HOME. The 30%, 50%, and 80% matches the other HUD AMI used for Section 8 100% and 60% and calculated using the Median Family Income for the HUD numbers used for Sec 8

To calculate 100% of AMI -

Go to HUDuser.org and find Income Limits Briefing Materials document.

Find section that describes how to adjust for family size

Enter the Median family income from chart under 4 person family, 100%

Enter the Percentage adjustment amounts for each family size.. Doesn't typically change, so the formulas here should be correct.
