

Dear Friend

During these difficult times, HRB continues to be a resource for individuals and families in our community who require housing assistance. More than ever, we are committed to ensuring the housing stability of our current residents across Bainbridge Island as well as offering our support to the dozens of households that reach out to us each month. To that end, we are modifying our services with prevention and safety in mind to slow the spread of COVID-19.

Effective today, Monday, March 16th our office will be closed for all walk-in appointments. Property management staff will provide support to current tenants and applicants by phone only during normal business hours (Monday – Thursday, 9:00 AM – 4:00 PM).

Our Property Management Staff will communicate additional information to HRB tenants and homeowners in a separate communication concerning maintenance, payments, and other needs.

Please know that we will continue to collaborate closely with our Staff, Board, and community partners as we learn new information and receive additional guidance from public health officials.

Be well and take care of one another.

With sincere gratitude,

Phedra Elliott
